

## Autodesk Inventor 2008: Transitioning from Inventor 11

### Add the Power of 3D

Accelerate and simplify the concept-to-manufacturing process with Autodesk Inventor 2008 training.

#### Course Objectives

This courseware covers the new and enhanced functionalities and workflows offered in Autodesk® Inventor™ 2008. Students learn how to quickly take advantage of the features offered to assist AutoCAD users who are transitioning to Autodesk Inventor and productivity enhancements made to the sketch, part, assembly, and drawing environments.

#### Course Length

2 days

#### Prerequisites

None.

#### Training Facilities

Bell Canada has a state of the art training facility in Winnipeg that can accommodate up to 10 students, keeping the class size small for maximum attention.

#### Ask about our Custom Training

Through consultation sessions, our trainers will develop a course plan tailored to the needs of your company. Phone us today to find out more details on our private custom training.
